Project Topic Area: 1880 - 1920

Group Size: 3-4

Project Description: Student groups will be tasked with selecting one of the period-specific themes, persons or events from the approved list below...

- **Period-Specific Themes**
  - Conflict
  - Power
  - Labor
  - Gender & Race

- **Historic Persons**
  - William Jennings Bryan
  - Theodore Roosevelt
  - Woodrow Wilson
  - Alice Paul
  - Margaret Sanger

- **Historic Events**
  - Spanish-American War
  - World War One (US-Focused)
  - Women’s Rights Movement

...and incorporating at least THREE of the technology-enhanced options below into one, seamless presentation.

<table>
<thead>
<tr>
<th>iMovie - Movie Trailer</th>
<th>Vocaroo Podcast</th>
<th>ThingLink Concept Map</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students will work collaboratively to produce a movie trailer that helps illustrate the topic chosen.</td>
<td>Students will work collaboratively to produce a podcast (between twelve and fifteen minutes in length) that helps illustrate the topic chosen.</td>
<td>Students will work collaboratively to produce a visual concept map with at least EIGHT embedded resources that helps illustrates the topic chosen.</td>
</tr>
<tr>
<td>Students will also generate a detailed, written explanation of how the movie trailer illustrates at least TEN historical elements of the selected topic - emphasizing meaningful connections between these elements.</td>
<td>Students will also generate a written script of the podcast to submit along with the final, audio product.</td>
<td>Students will also generate a detailed, written explanation of how the concept map explains historical elements of the selected topic - emphasizing meaningful connections between these elements.</td>
</tr>
</tbody>
